Good Morning,

So many old friends on this email! Hello Sharyn - the tree wizzard of East Hollywood BID

Great to hear there is a plan. Lisa, I'd welcome the chance to meet with you and learn about your vision for the area.

Let me know some blocks of time, and I'm glad to come to you.

I work in Burbank, so if it could be 8 - 10AM, or 4-6PM, that'd be appreciated.

David, thanks for your message and attention to one of our BID<sup>1</sup>s missing trees! We are currently working on a number of tree replacements/replantings, and we will include this one on that list. We plan to do these planting early in 2016. I have cc'ed our new Executive

Director, Lisa Schechter, and HBT on this message. Thanks again.

Good morning, I've been working with Steve, but see that he is no longer with the organization. Was hoping that I might work with you and sponsor a replanting of the tree that I've been cut down. It is at the north east corner of Melrose and Highland.
